You've waited long enough. You now have the chance to join our Taekwondo school for an amazing event. We are hosting a summer camp, featuring many different levels of black belts, including the highest ranked black belt in taekwondo—Grand Master Kwang Sung Hwang, promoted by Korean war hero and founder of Taekwondo General Choi Hong Hi.

The taekwondo camp is open to all current and entering students 6 years old and above. It will be held at the beautiful campgrounds of Camp Merockdim of Pomona NY in the last week in August.

Our daily routine will include both endurance, strength and flexibility training. Training in the martial arts of Taekwondo and Hapkido will be scheduled daily with an emphasis on power and accuracy.

Classes in patterns, sparring, self-defense, board breaking, and use of both long and short sticks will be offered.

Thursday night there will be an instructor course for red and black belts. Friday morning will feature a tournament. Testing will be available for those who are ready on Friday morning.
